The 11th Annual International CMHP Psychiatric Pharmacy Conference of the College of Mental Health Pharmacy

Friday 8th of October to Saturday 9th October 2021 MacDonald Hotel, Manchester

Welcome

We are pleased to announce that the 11th International Conference will be held at the MacDonald Hotel, Manchester, with the conference and Medical Exhibition taking place in the hotel.

Our annual international psychiatric pharmacy conference is the flagship event in our calendar. We provide delegates with opportunities to explore clinical and strategic issues, to share good practice, to learn from each other and to enable networking.

Our conference programme is designed to inspire, educate and enthuse. We invite eminent speakers to deliver keynote sessions and we offer a mix of plenary sessions, workshops, presentations and poster sessions. Through these, we aim to enable delegates to gain insight into the latest developments in mental health pharmacy, and to share good practice. In addition, we host a medical exhibition that can be visited during breaks and over lunch.

We welcome delegates from around the world. A highlight of the conference is always the Memorial Lecture where we invite speakers with lived experience of mental illness to share their insights with us. Topics can be varied, but this session is usually moving, informative and highly valued by delegates.

We welcome exhibitors to join on Friday and Saturday to share information regarding innovative products within the industry and network with our delegates.

To discuss exhibiting at the conference please contact: 01355 244 966 or email cmhpconference@northernnetworking.co.uk
